Foreword

Once more we present the ROYAL BLUE. Our efforts result in this pictorial display of the accomplishments, both serious and recreational, of the thirteen hundred students and faculty who are Wa-Hi. Throughout the year the achievements of our fellows are reviewed in this, your annual.

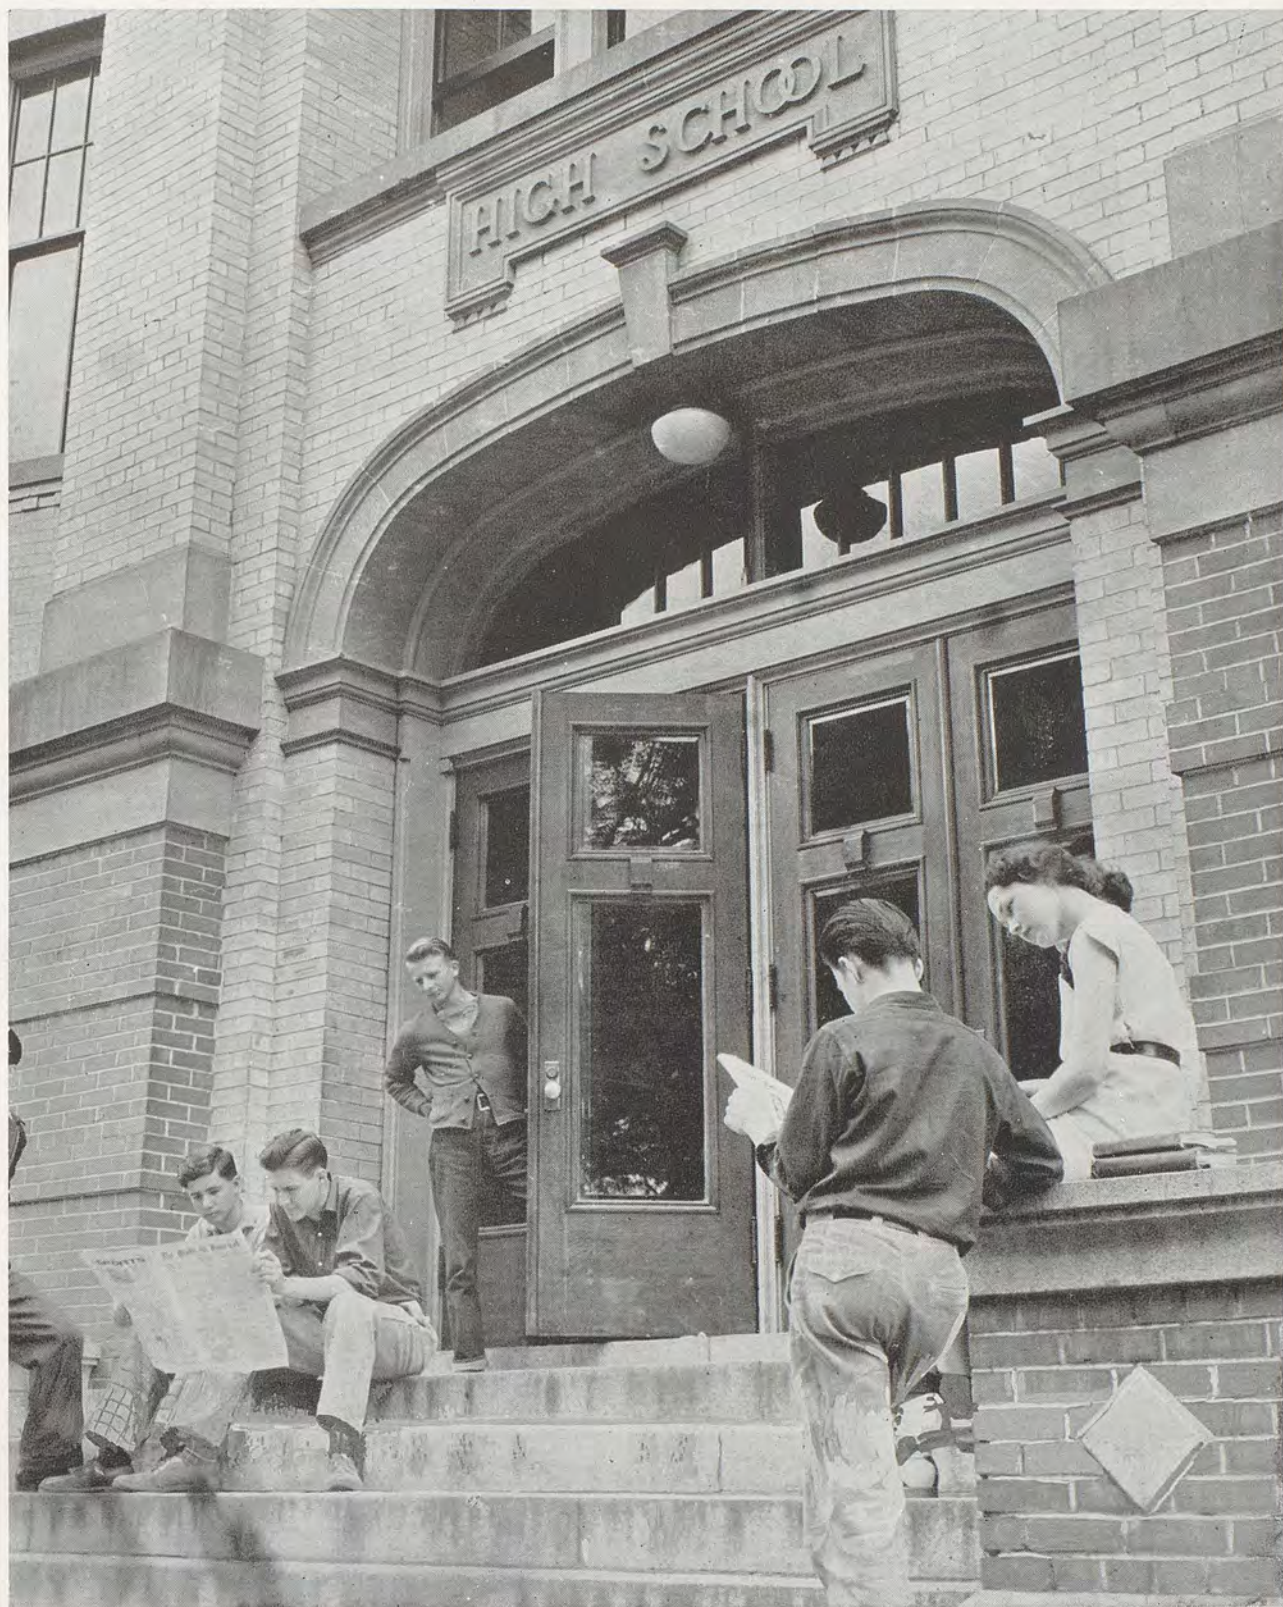

Dedication

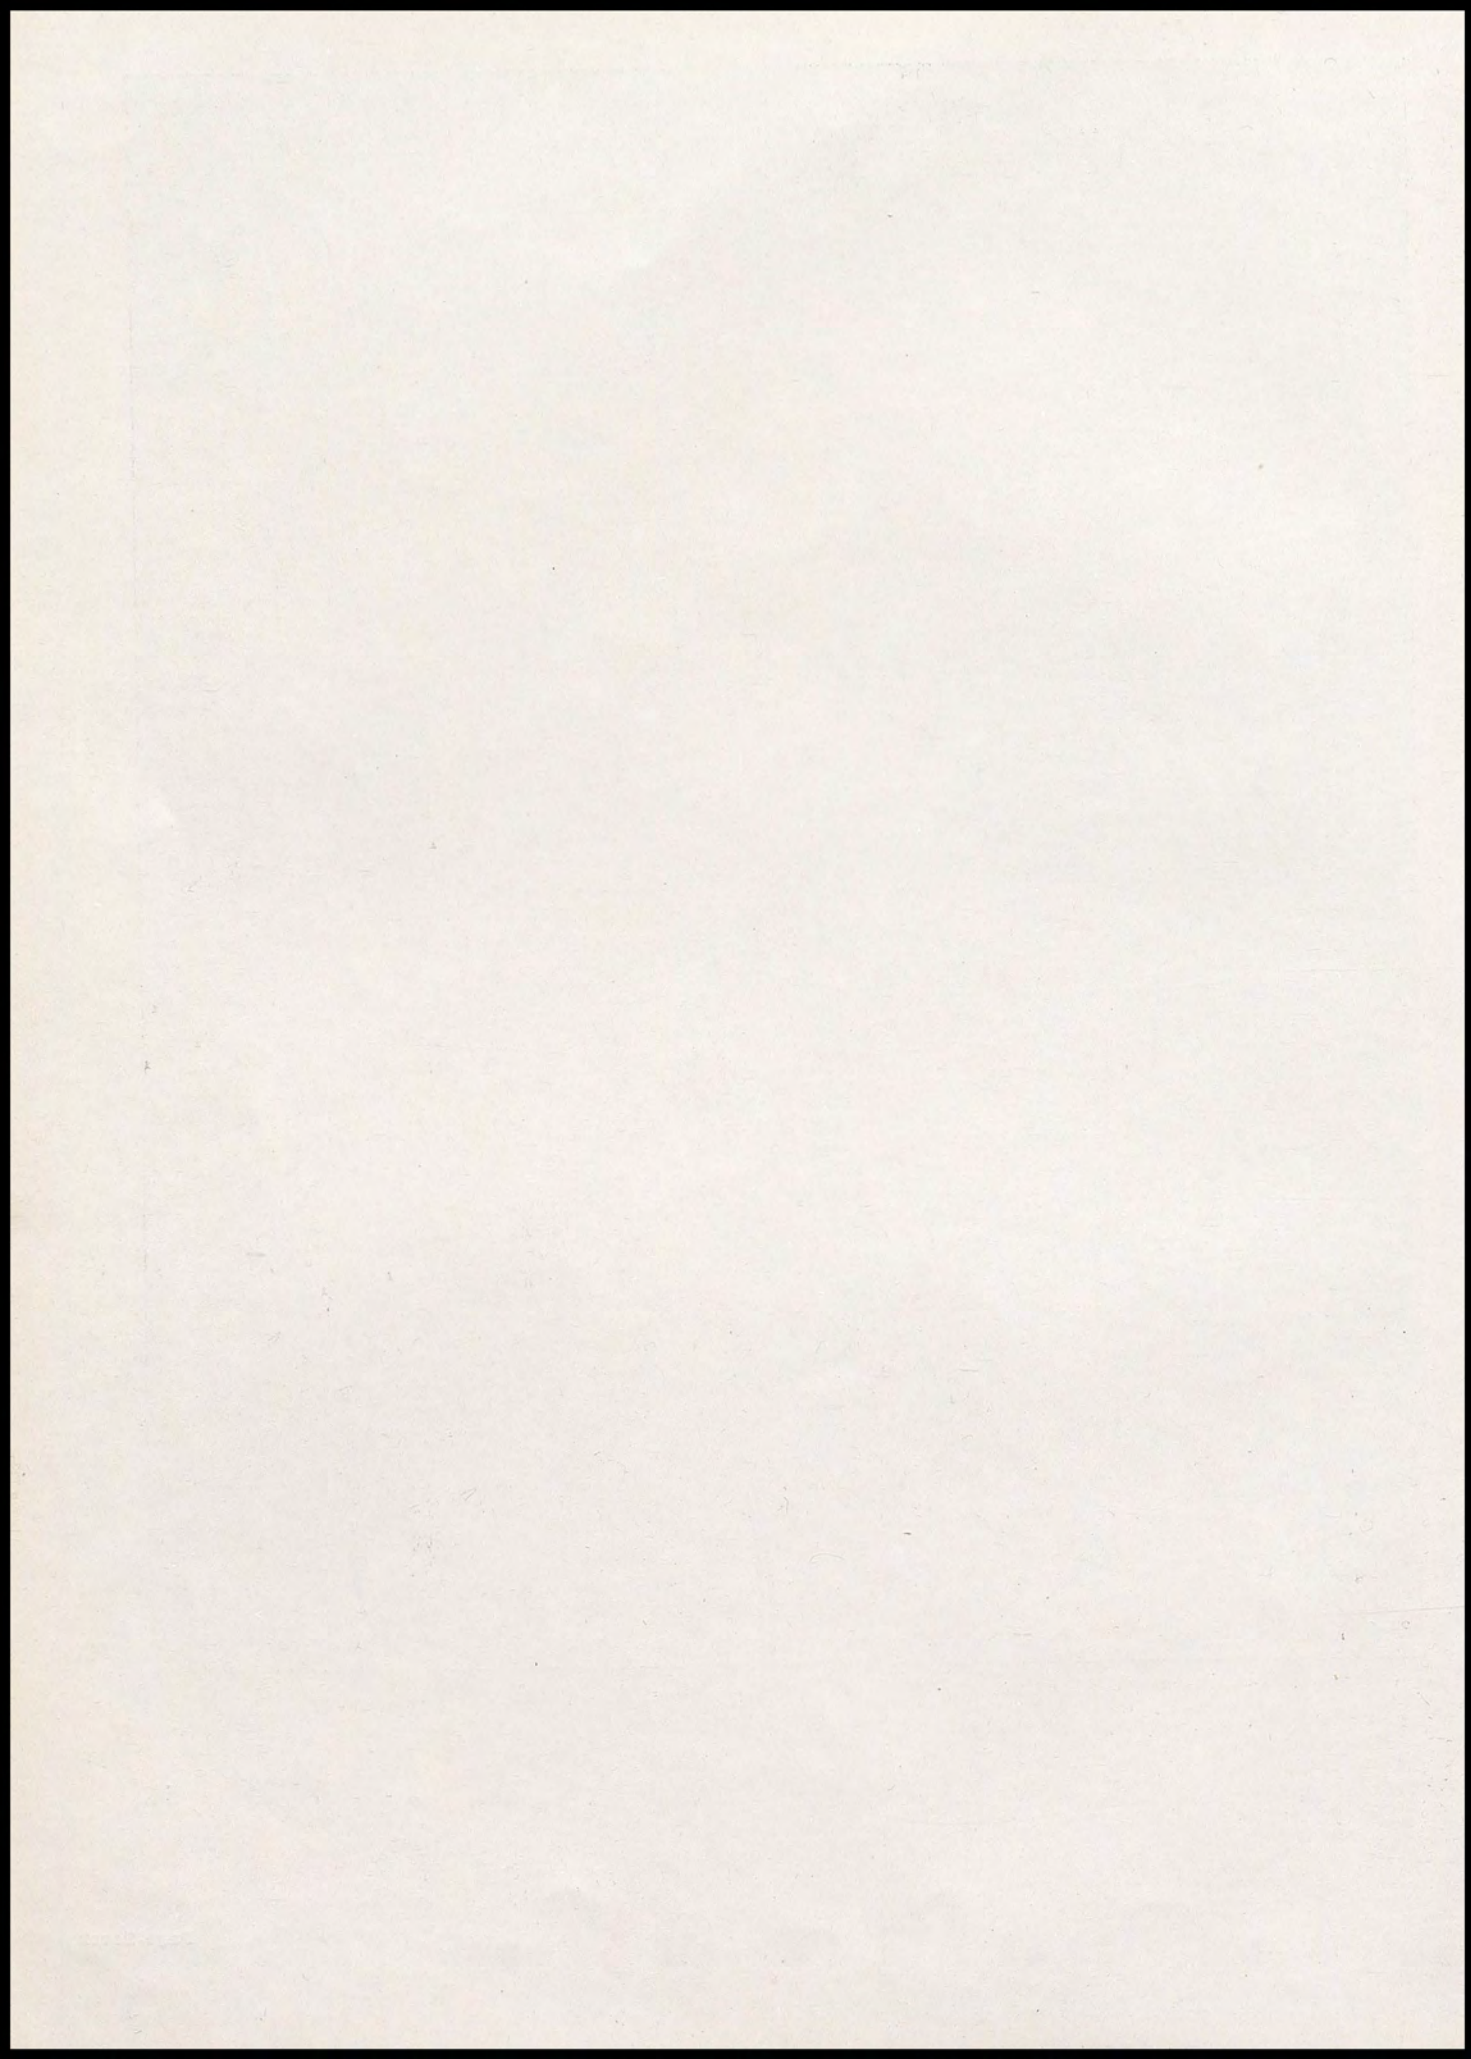

For their understanding devotion, their helpful criticism, their support of our activities, and their loving influence, we respectfully dedicate the 1938 ROYAL BLUE to our parents. Their true devotion is manifested in the success of our educational system, and it is our sincere wish that some day we shall be able to repay our debt to Father and Mother.

MR. LACEY

MR. LOBAUGH

Mr. W. A. Lacey, Superintendent

Mr. Lacey's years as principal of Wa-Hi ably equipped him for his work as City Superintendent. The changes that he has affected show that the welfare of the students is uppermost in his mind.

Mr. Dean Lobaugh, Principal

During his two years at Wa-Hi, the students have come to realize the true friendship that Mr. Lobaugh has expressed for them. His leadership toward better things has proved his desire and ability to make our school an ideal one.

Student Government

For the first time in the history of student body government at Wa-Hi, a girl was selected by the students to lead them throughout the year. Jeannie Crawford was the recipient of the honor. Other students who were voted to student body posts were: Robert Clodius, Vice-President; Paul Yeend, Secretary; and John Adams, Treasurer.

The Cabinet, Legislative Assembly, and Student Court aided the officers in their efficient operation of school affairs. The Cabinet was chosen by the president and assisted her in the carrying out of her duties. As Vice-President, Bob Clodius headed the Legislative Assembly, which is composed of two representatives from each homeroom. Under the strong hand of Chief Justice Dorsey Googins the Student Court has helped to clear up congested conditions at Wa-Hi. Through his efforts a lower or "Traffic" Court was established, with Sterling LaRue as its head.

Under this efficient staff of capable officers and assistants, student government has maintained the same high level for which our high school is renowned.

Boys' Federation

Under the tutelage of Paul V. "Polly" Anderson, a Boys' Federation was organized in the early part of the school year. Taking their idea from the boys' clubs in other parts of the state, the adviser and officers drafted a constitution and started the Federation. Gaining impetus as time went on, the club is now firmly established.

Trying to bring the boys in closer contact with the school so they will receive as many advantages as the school has to offer is one of the main objectives of the Federation. Another major purpose is aiding boys whose financial circumstances do not allow them to attend school regularly. A committee secures work and furnishes clothing for these boys.

A large delegation of boys attended the Older Boys' Conference held in Pullman in the spring, and brought back ideas for the improvement of the Federation's work in service to the boys of Wa-Hi.

The Girls' Federation activities started out in full swing last fall with the sponsorship of the Olvera Street Marionette Show on September 24. In keeping with this good start, the annual Big-and-Little Sister Party marked another success for the new officers.

The Southeastern Conference, which was an event of the early fall, was held in Kennewick, and was attended by a large delegation from Wa-Hi.

December found the Federation busy honoring the girls and their mothers at a series of delightful teas which featured an interesting art exhibit. For their Christmas project, they collected food and clothing for needy families and turned them over to Chief Goodfellow.

Doris May Adams headed the committee that planned the party that welcomed the incoming Freshmen in February. After that several new ideas were started: the friendship committee has checked on girls absent because of illness for several days and has sent cards to them. A tutoring group was started to give aid to girls who needed some help in their school work.

The big conference of the year is the Tri-State Girls' League Conference held in April. Pendleton, the entertaining group, carried out a clever program called "A Round-Up of Ideals," which was enjoyed by Wa-Hi's ten delegates.

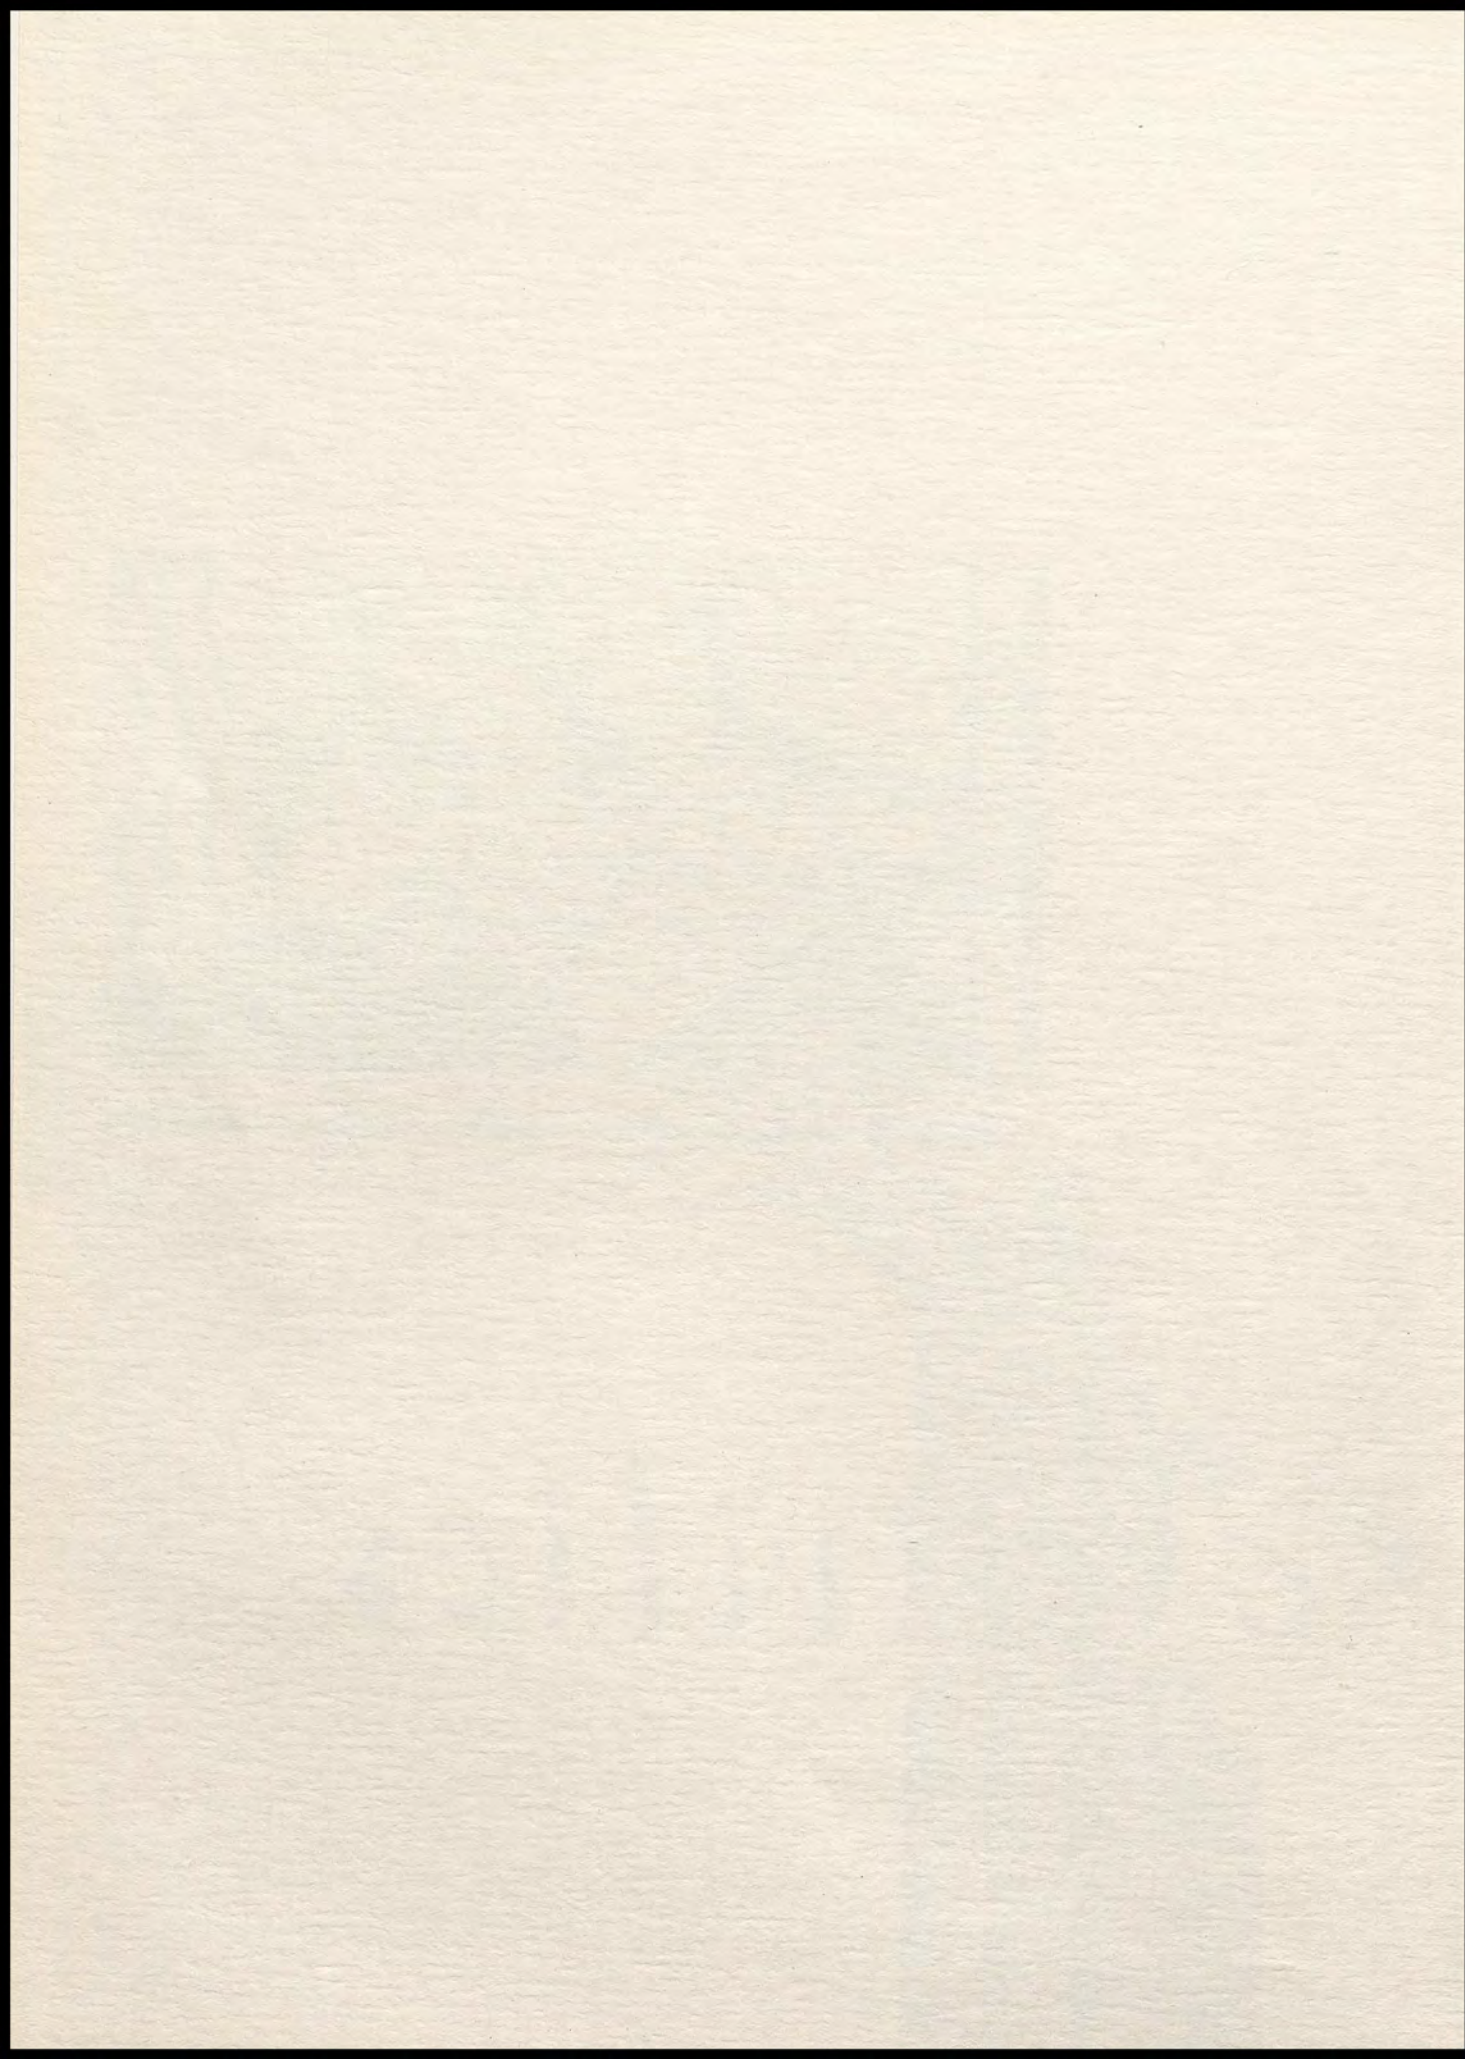

At the semi-annual introduction of eighth graders to our school the girls were responsible for entertaining about one hundred incoming Freshmen girls.

DOROTHY MOORE

Activities

Wa-Hi Goes to a Party

Noon frolics and evening frolics have become an important part of Wa-Hi's social life.

Noon frolics, for which there is no admission charge, are held twice a week in the gym. The phonograph is used to supply the music. There is usually a good turn-out of students.

Evening frolics are held once a month. They are informal, and Dare Chamberlain's Rhythm Kings usually supply the swing.

Students have come to look forward to these dances, and patronize them very well.

With Mr. Clifford Hamar as the organizer and adviser, a chapter of Quill & Scroll, National Honor Society for Student journalists, was re-established at Wa-Hi after and absence of many years, with nine charter members. Peg Dickerson is the member not shown in the picture. The society is for people who have made an unusual contribution to student journalism, through work on the JOURNAL or the ROYAL BLUE.

Military

The Sponsors, commanded by Captain Marion Quesnell, have added color to all military parades, ceremonies, and athletic contests, as well as ushering at indoor games and assemblies.

Due to extensive remodeling of the rifle range, the rifle team did not enter the Corps Area Inter-collegiate Match, and failed to place in the Hearst Match. However, considerable new material was developed, which should give Wa-Hi a good team next year.

R.O.T.C. Doings

Few changes have been made in the Wa-Hi R.O.T.C. unit during the year. Under the guidance of Capt. P. W. Allison, Professor of Military Science and Tactics, and his efficient assistant, Sgt. Harold I. Mizony, the year's history of the corps has been one of evolution rather than revolution. Lt. Col. Amel Boldman and the other Cadet officers have shown zeal and efficiency toward winning the "honor-rating" for Wa-Hi this year, as so often in the past. The non-commissioned officers and privates have all done their part as well.

The Military Department is now housed in the Industrial Arts Building, the new military offices, store-room, armory, and small-bore range being models of neatness and efficiency. It is hoped to have steel arm-racks in the armory before next year, which will complete the installation.

All students receive the same amount of training before the Federal Inspection by Lt. Col. Stillwell on May 6, as students no longer are allowed to enter the R.O.T.C. at mid-year.

A military tournament will be held at the Stadium on the night of May 23, with the Wa-Hi R.O.T.C. and the National Guard taking part. It is hoped at that time to repeat last year's competition in Platoon Drill between our unit and the Boise High School R.O.T.C.

Girls' Rifle Club

The Girls' Rifle Club has been meeting every Thursday on the indoor range, using the regulation .22 caliber rifles, the same as boys use for gallery practice. All have made considerable progress, and Camille Hunt and Maxine Hilbert have been sharing the high scores throughout the season. The highest score was made by Camille Hunt, 98 out of 100 possible points. Captain Allison and Mrs. Allison are advisers and instructors of the club.

Fencing Team

There are 18 enrolled in the Fencing Squad, only one, Sherwood Palmer, being a veteran of last year. In spite of the inexperience of the squad, good progress has been made. On a recent trip to the University of Idaho, the Wa-Hi squad was defeated 6 to 3 in a very good match. It is hoped to have a meet with Whitman before the season closes, and next season it is hoped to have meets with other schools and colleges in the Northwest. Captain Allison is fencing instructor.

Wa-Hi's Music

Wa-Hi's musical activities, under the direction of Mr. Hal Tilley and Mrs. Chester C. Maxey have branched out into new field—radio.

The band, which is connected with the R.O.T.C. unit, led parades, played for games, assemblies, radio, Commencement and Baccalaureate, and traveled to nearby cities for different festivals.

The Pep Band, sponsored by the Chamber of Commerce, is a smaller organization selected from members of the R.O.T.C. Band, plays for games and assemblies, and represents Wa-Hi and Walla Walla at out-of-town games and ceremonies.

The orchestra, also directed by Mr. Tilley, was in great demand for performances before the assembly, P.T.A., the Senior Play, and Commencement.

The chorus, directed by Mrs. Maxey, gave selections over the radio, sang for the P.T.A., assembly, and Commencement, and performed at a Christmas program at the Presbyterian Church.

Eh-Kah-Nam

In the annual Eh-Kah-Nam contest the four Seniors pictured on the left, and Dorothy Gould, Junior girl, reached the final round and competed for the trophy. Sherwood Palmer won the coveted cup and the right to represent Wa-Hi at the Whitman Extemporaneous Speaking Contest, where he again captured first honors, competing against representatives from many schools. Dorothy Gould placed second in the Wa-Hi Eh-Kah-Nam contest.

Agricultural Honors

Wa-Hi's Livestock Judging teams entered contests at the Southeastern Washington Fair, Dayton Fair, Pullman Contest, Ellensburg Fair, and the Pacific International Livestock Exposition. The team placed fifth at the Pacific International, with 120 teams from 5 states competing. Wa-Hi's team was composed of Vincent Fausti, Bob Eiffert, and Joe Tuke.

The Potato Judging Team entered the Spokane show and placed sixth in an eighteen-team contest. Vincent Fausti, Jack Hogben and Joe Tuke represented Wa-Hi in this contest.

John Rea and Bob Eiffert were chosen to represent Wa-Hi's chapter of Future Farmers of America at the National Convention in Kansas City, bringing back an interesting and worthwhile message to the local F. F. A.

National Honor Society

In the spring and fall of each year students ranking scholastically in the upper five per cent of the Senior Class are elected to the National Honor Society. In addition to scholarship, the members are chosen on the basis of leadership, personality, and character. Each spring the Society presents an assembly at which new members are introduced to the student body, and the achievements of the organization are reviewed.

Members elected in the spring, too late to have their pictures taken for the Annual, are Neoma Jauslin, Mary Lou Coleman, Jean Martin, Helen Ruther, Kenneth Knowles, Sterling LaRue, Alice Evans, Barbara Woodward, Clayton Matthews, Betty Oswald, Robert Fisher, Aurel Maxey.

Football

1937 saw one of the finest seasons Walla Walla High School has ever enjoyed. Although the team was not riding high on glorious victories sustained on the grid, it established itself high among the schools of the state as fine sportsmen. With the organization of the new Cross State League, Wa-Hi advanced into a high class league with the best teams of the state.

Head Coach Armond Jeffs, just new from Dayton, upon taking charge last fall found himself with three lettermen and a horde of underclassmen. But in spite of the handicap, he built a capable grid machine that was able to handle itself at all times.

WA-HI 0-LA GRANDE 6

Little was known of the strength of the Indigo Imps when they opened their season September 17, in La Grande. Despite their loss to the Mountaineers the Blue Devils made a great showing.

WA-HI 0-EVERETT 12

In the first Cross State League game of the season the Everett Sea Gulls capitalized upon breaks coming 10 seconds before the close of the half and near the end of the game to best the fighting boys in blue.

WA-HI 13-WENATCHEE 0

Playing before the home crowd for the first time the 1937 grid machine handed the strong Wenatchee Applepickers to a 13 to 0 shellacking.

WA-HI 0-STADIUM 27

In the second Cross State League game, the number one team of the state, journeyed to Walla Walla to hand the Blue Devils a stinging defeat.

WA-HI 0-BREMERTON 6

Bremerton, capitalizing on a break, turned a fourth period scoreless tie into victory, to take a Cross State battle. Diminutive Johnny Gorman made a sensational 68-yard run in the third quarter, but it was called back because of a penalty.

WA-HI 0-PASCO 19

Pasco High School boasted one of the best teams that they have ever had and turned down the Blue Devils in one of the toughest battles of the year.

WA-HI 13-MAC-HI 6

The Indigo Imps returned to the winning column by downing the Milton-Freewater school with a dazzling 13-6 win. John Gorman had a sensational run called back when his second half kickoff return of 88 yards to a touchdown was called back to midfield for clipping.

WA-HI 6-DAYTON 6

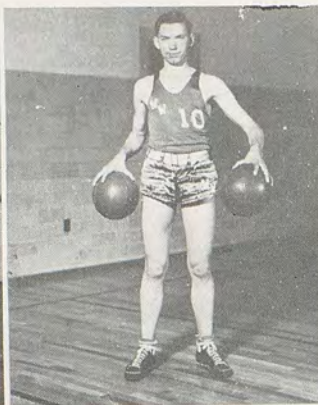

Playing in a drizzling rain that halted the Imps aerial attack the Dayton Bulldogs held the Boys in Blue to a tie.

WA-HI 6-LEWISTON 0

The highly touted Lewiston Bengals came to town Armistice Day with high hopes but the Blue Devils were not to be beat and Lewiston went home on the short end of a 6 to 0 score.

WA-HI 12-YAKIMA 21

Thanksgiving Day brought an end to the football season with the Yakima Pirates outpointing the Blue Devils to break into the winning column of the Cross State League. Although the game was lost the highlight of the contest was the brilliant kicking of Bob Hirsch. His average of 47 yards is as good if not better than one would see in a college contest.

Basketball

The 1938 Blue Devil basketekers started out this year with their hearts set on repeating last year's record by winning the State Championship. Throughout the entire pre-tournament season prospects for this were very rosy. The squad suffered only three defeats, all of these away from the home floor, and went into the tournament in a confident manner. They coasted through the sub-district and district tourneys, but when the boys got to Seattle old man Jinx set them back on their heels with three straight defeats.

Wa-Hi entered the Cross-State League play for basketball for the first time this year and finished just one-half game behind the league-leading Everett Seagulls.

ROW 1—Bowers, Zier, Gillam, Lee, Weaver, Owsley, Anderson.

ROW 2—Dohnert, C. Bowers, Transth, Rhay, J. Rea, Pierce, Robertson, Case, Abegglen.

ROW 3—Erdman, Coach Jacky, Michaelis, Romine, Williams, Wallace, Davis, Taylor, Murray, Miller, Doake, Bergevin.

ROW 1—Weathers, Garland, Stemmer, P. Yeend, H. Hill, C. Coyle, O'Brien.

ROW 2—Eggers, J. Adams, G. Hart, Drennan, Berry, Hirsch, Brumbach.

ROW 3—D. Clarke, E. Whitehead, Grote, Herrin, Tarwater, Schiffner, Coach Jeffs.

Track

Although the greater part of his track squad was lost this year via the route of graduation, Coach Paul MacGown has succeeded in whipping together a team that is performing very creditably. Several finds have turned up unexpectedly to bolster the squad.

The group was faced by a heavy schedule this year and after each meet a very decided improvement was displayed. Those participating in the varsity events were as follows:

Dashes—Michaelis, Erdman, Bob Rhay.
 Javelin—Weaver, Rogers
 High Jump—Taylor, Kenny
 Hurdles—Michaelis, Rhay, Cox, Fichtner.
 Shot-put—Rea, Pierce.
 880 and Mile—Zier, Bowers.
 Pole Vault—Transth, Davis.
 Discus—Transth, Taylor.
 Broad Jump—Erdman, Kenny, Taylor.
 Relay—Michaelis, Rhay, Erdman, Kenny.

Baseball

After an absence of several years from Wa-Hi's sports calender, baseball has returned. With very little experienced material to work with, Coach Jeffs has rounded out a squad of boys that are fast beginning to look like champions. At the date of writing this the team has won their first three games by impressive scores and seem to be headed for a most successful season. Players and their positions are:

Catchers—Clark, Whitehead.
 Pitchers—Coyle, Hirsch, Lanning, Garland, Keyes.
 First—Brumbach, Hart.
 Second—Eggers, Yeend
 Shortstop—Berry
 Third—Hirsch, Weathers
 R. F.—Weathers
 C. F.—Adams
 L. F.—Schiffner.

WRESTLERS

SITTING—Sharlo.
 ROW 1—Gray, Olson, Brower, Hanan.
 ROW 2—Jacobs, Gross, Paul Olson, Warren Hanan, Hilyer.

BOXERS

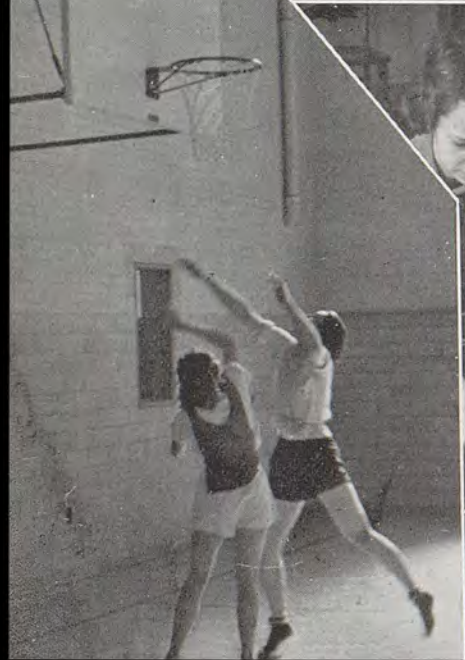

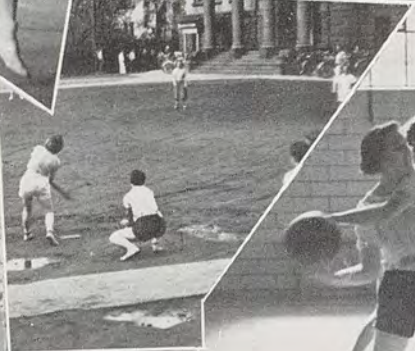

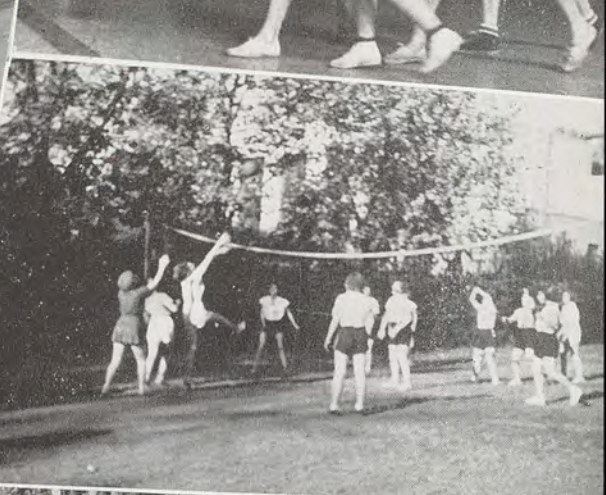

ROW 1—Armstrong, Benefiel, Harding, Gradwohl, Shernwell, Jacky, LaCount.
 ROW 2—Lyons, Schaub, MacDougal, Bogle, Swanson, Barclay, Chambers, Mgr.
 ROW 3—Derwent Schaub, Harvey, Thomas, Hall, Aylward, Weismuller.

Boxing and Wrestling

For the first time at Wa-Hi boxing and wrestling have become two major sports. Both were started seriously last year, but not until 1937-38 did they really blossom out. Several fast, interesting smokers were held in the gym, with schools from Southeastern Washington and Northeastern Oregon participating. A team from Wa-Hi represented the school in an Eastern Washington tournament at the State College in Pullman, where Jack Aylward was declared the state champion in the 135-pound boxing division, and Don Brower won the state title in the 165-pound wrestling division.

A two-day elimination smoker was held and seventy-four contestants from surrounding schools participated. In this so-called District Championship Smoker, Wa-Hi won the 135, 125, and was runner-up in the 100 and 110-pound divisions.

The letter winners for this year's team are Jack Aylward, Derrey Schaub, Neil Schaub, Claude Chambers, Bob McDougal, Clarence Swanson, Alvin Harding, Harold Gradwohl, Bob Jacky and Don Brower. With only one or two boys being lost from next year's squad, Wa-Hi should have a very fine boxing team for next year.

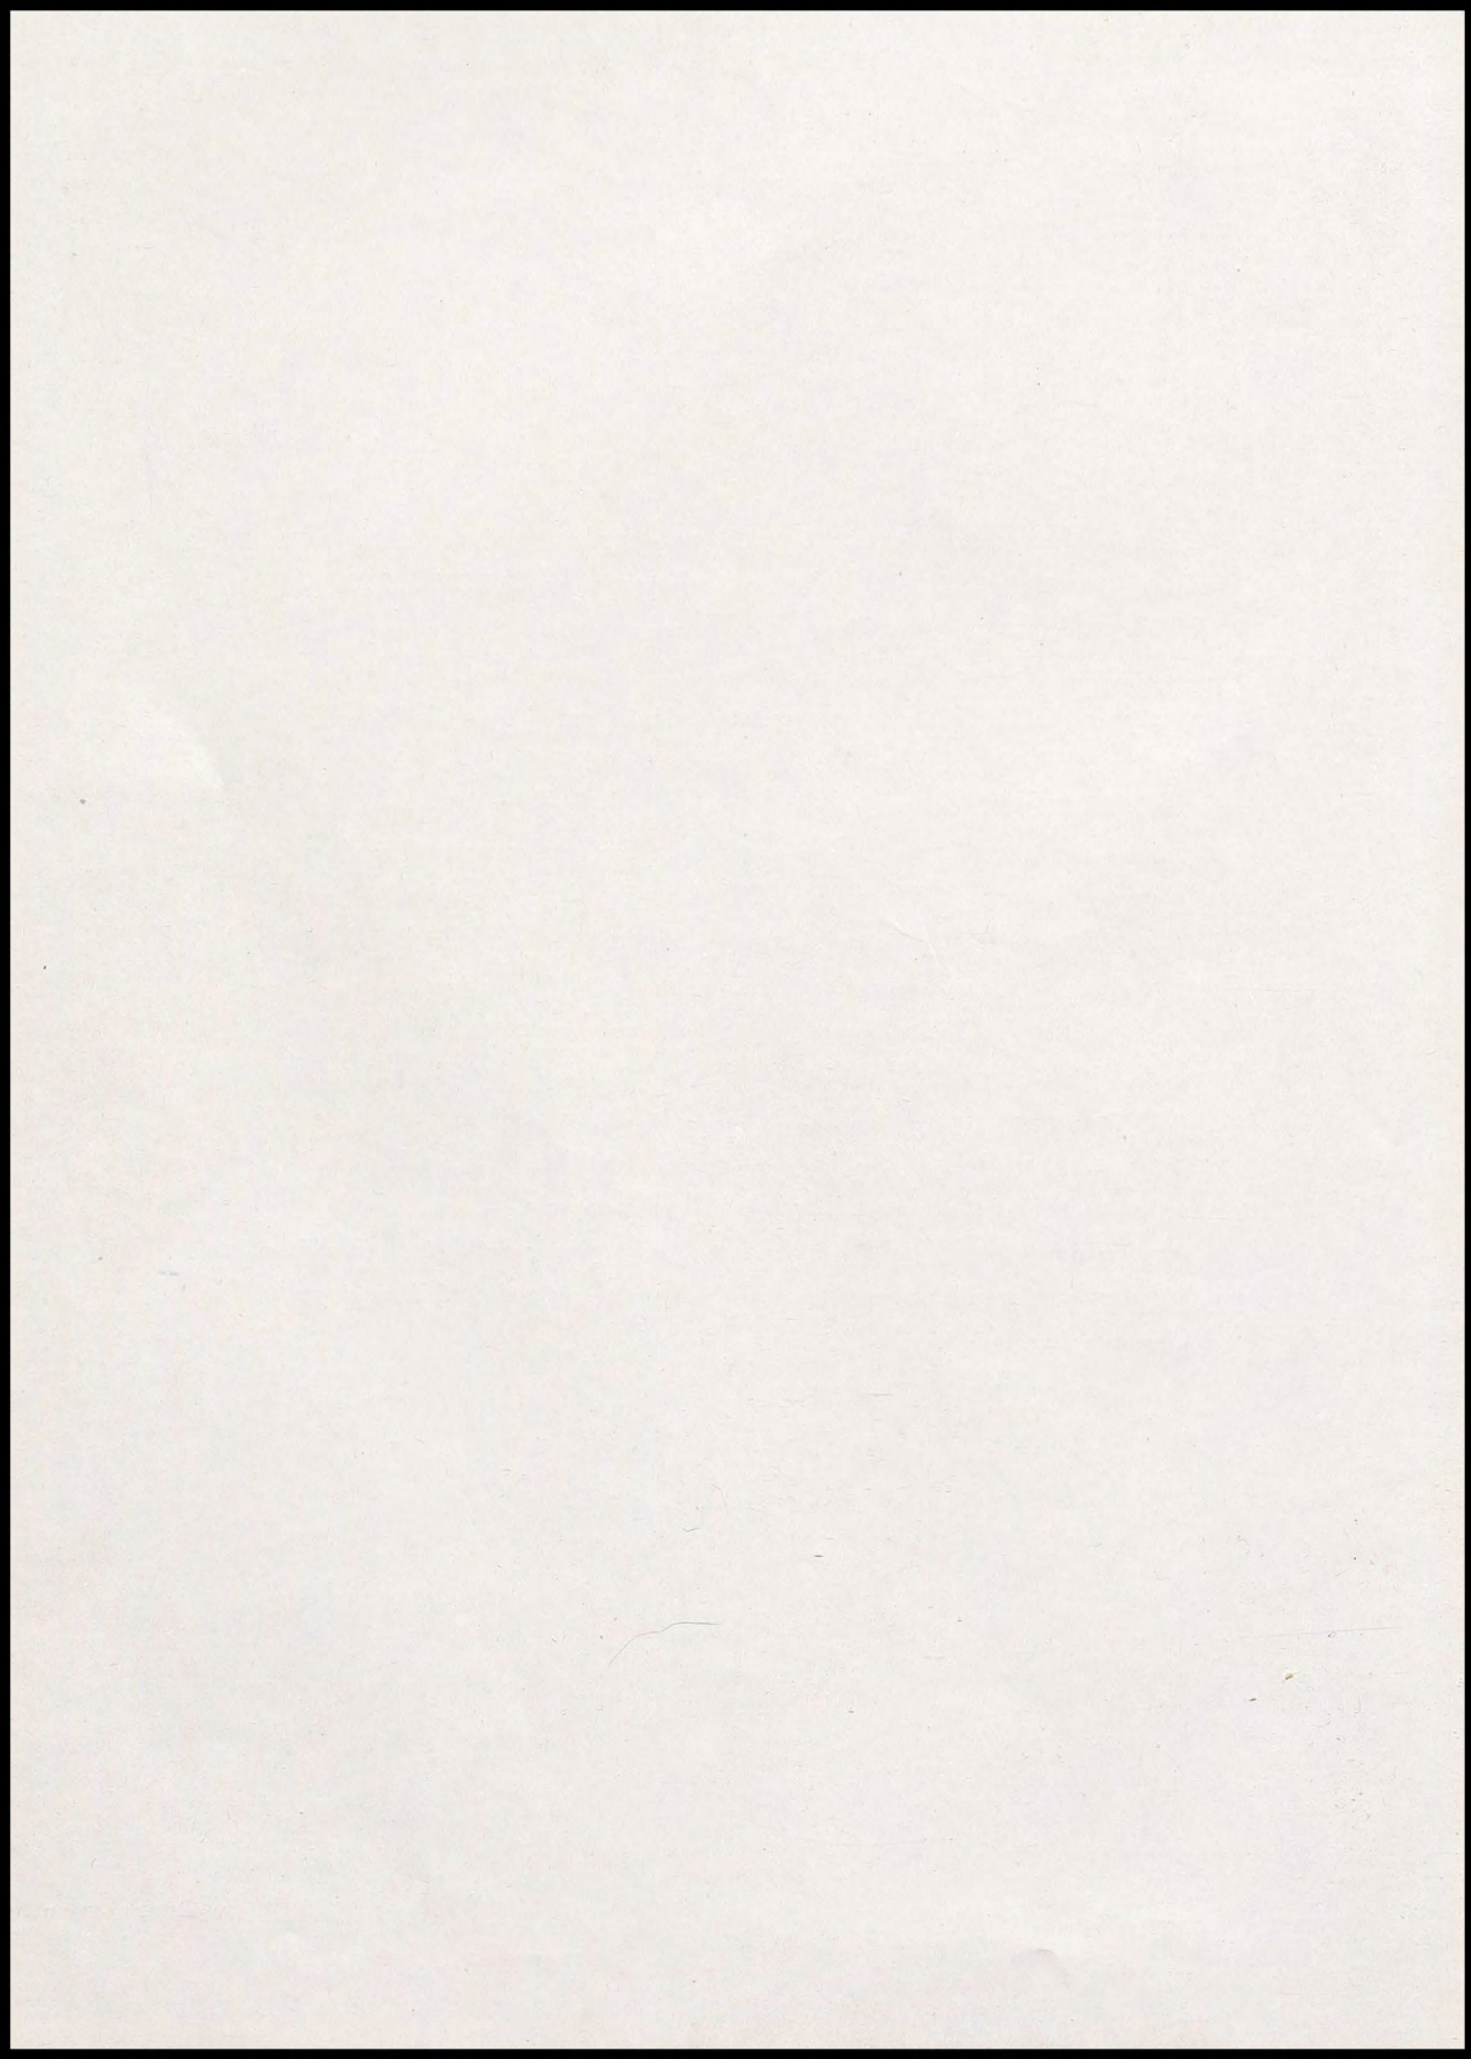

Girls' Sports

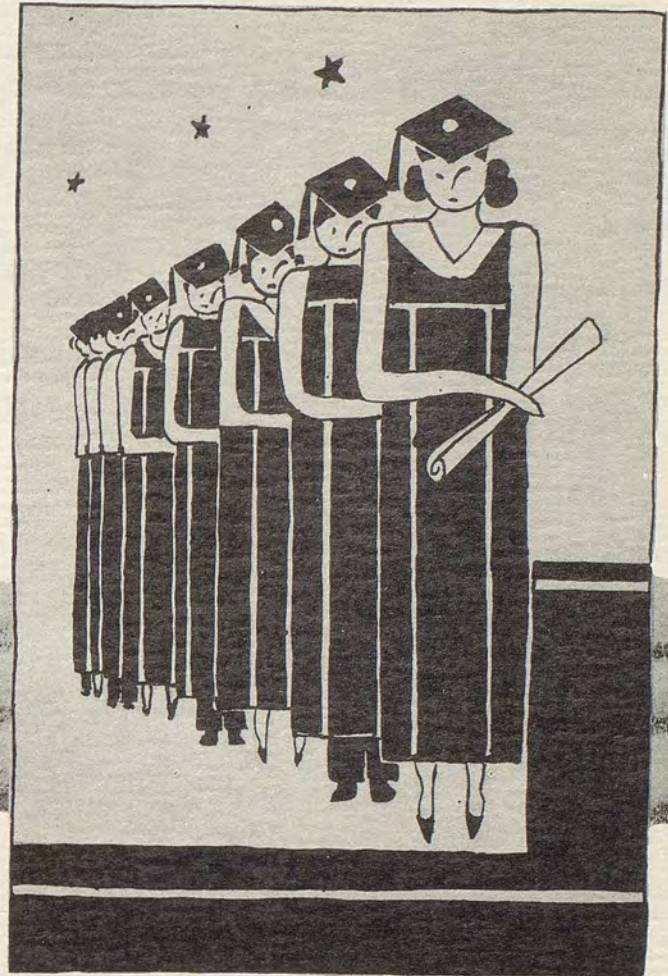

New activities added to girls' sports this year included badminton, deck tennis, tap dancing, darts, ring toss, and elements of lawn tennis. As the ROYAL BLUE goes to press it seems likely that the homeroom tournament, won last year by room 31, will be captured this year by room 21, as they are far ahead in points. Room 21 won the girls' volley ball tournament, won second place in mixed volley ball, and first place in basketball. Homeroom 22, a senior room, won the mixed volley ball tournament, in which 21 teams competed.

In individual tournaments, Betty Connery and Doris Hubbard won first place in shuffleboard. Glenna Driskell and Peggy Dickerson were runners-up. The ping pong tournament was a huge success, having 53 entrants and some excellent playing. Lois Gray was the winner and Jane Harold was runner-up. Mildred Hector and Rita Lyons reached the semi-finals. The winner of the badminton tournament has not yet been determined. It is being played in doubles, with both boys and girls entered.

A demonstration of physical education class activities was given on January 18, to show parents and the public what goes on in "Gym Class." The girls' tumbling act was outstanding, and in demand for "repeat" performances.

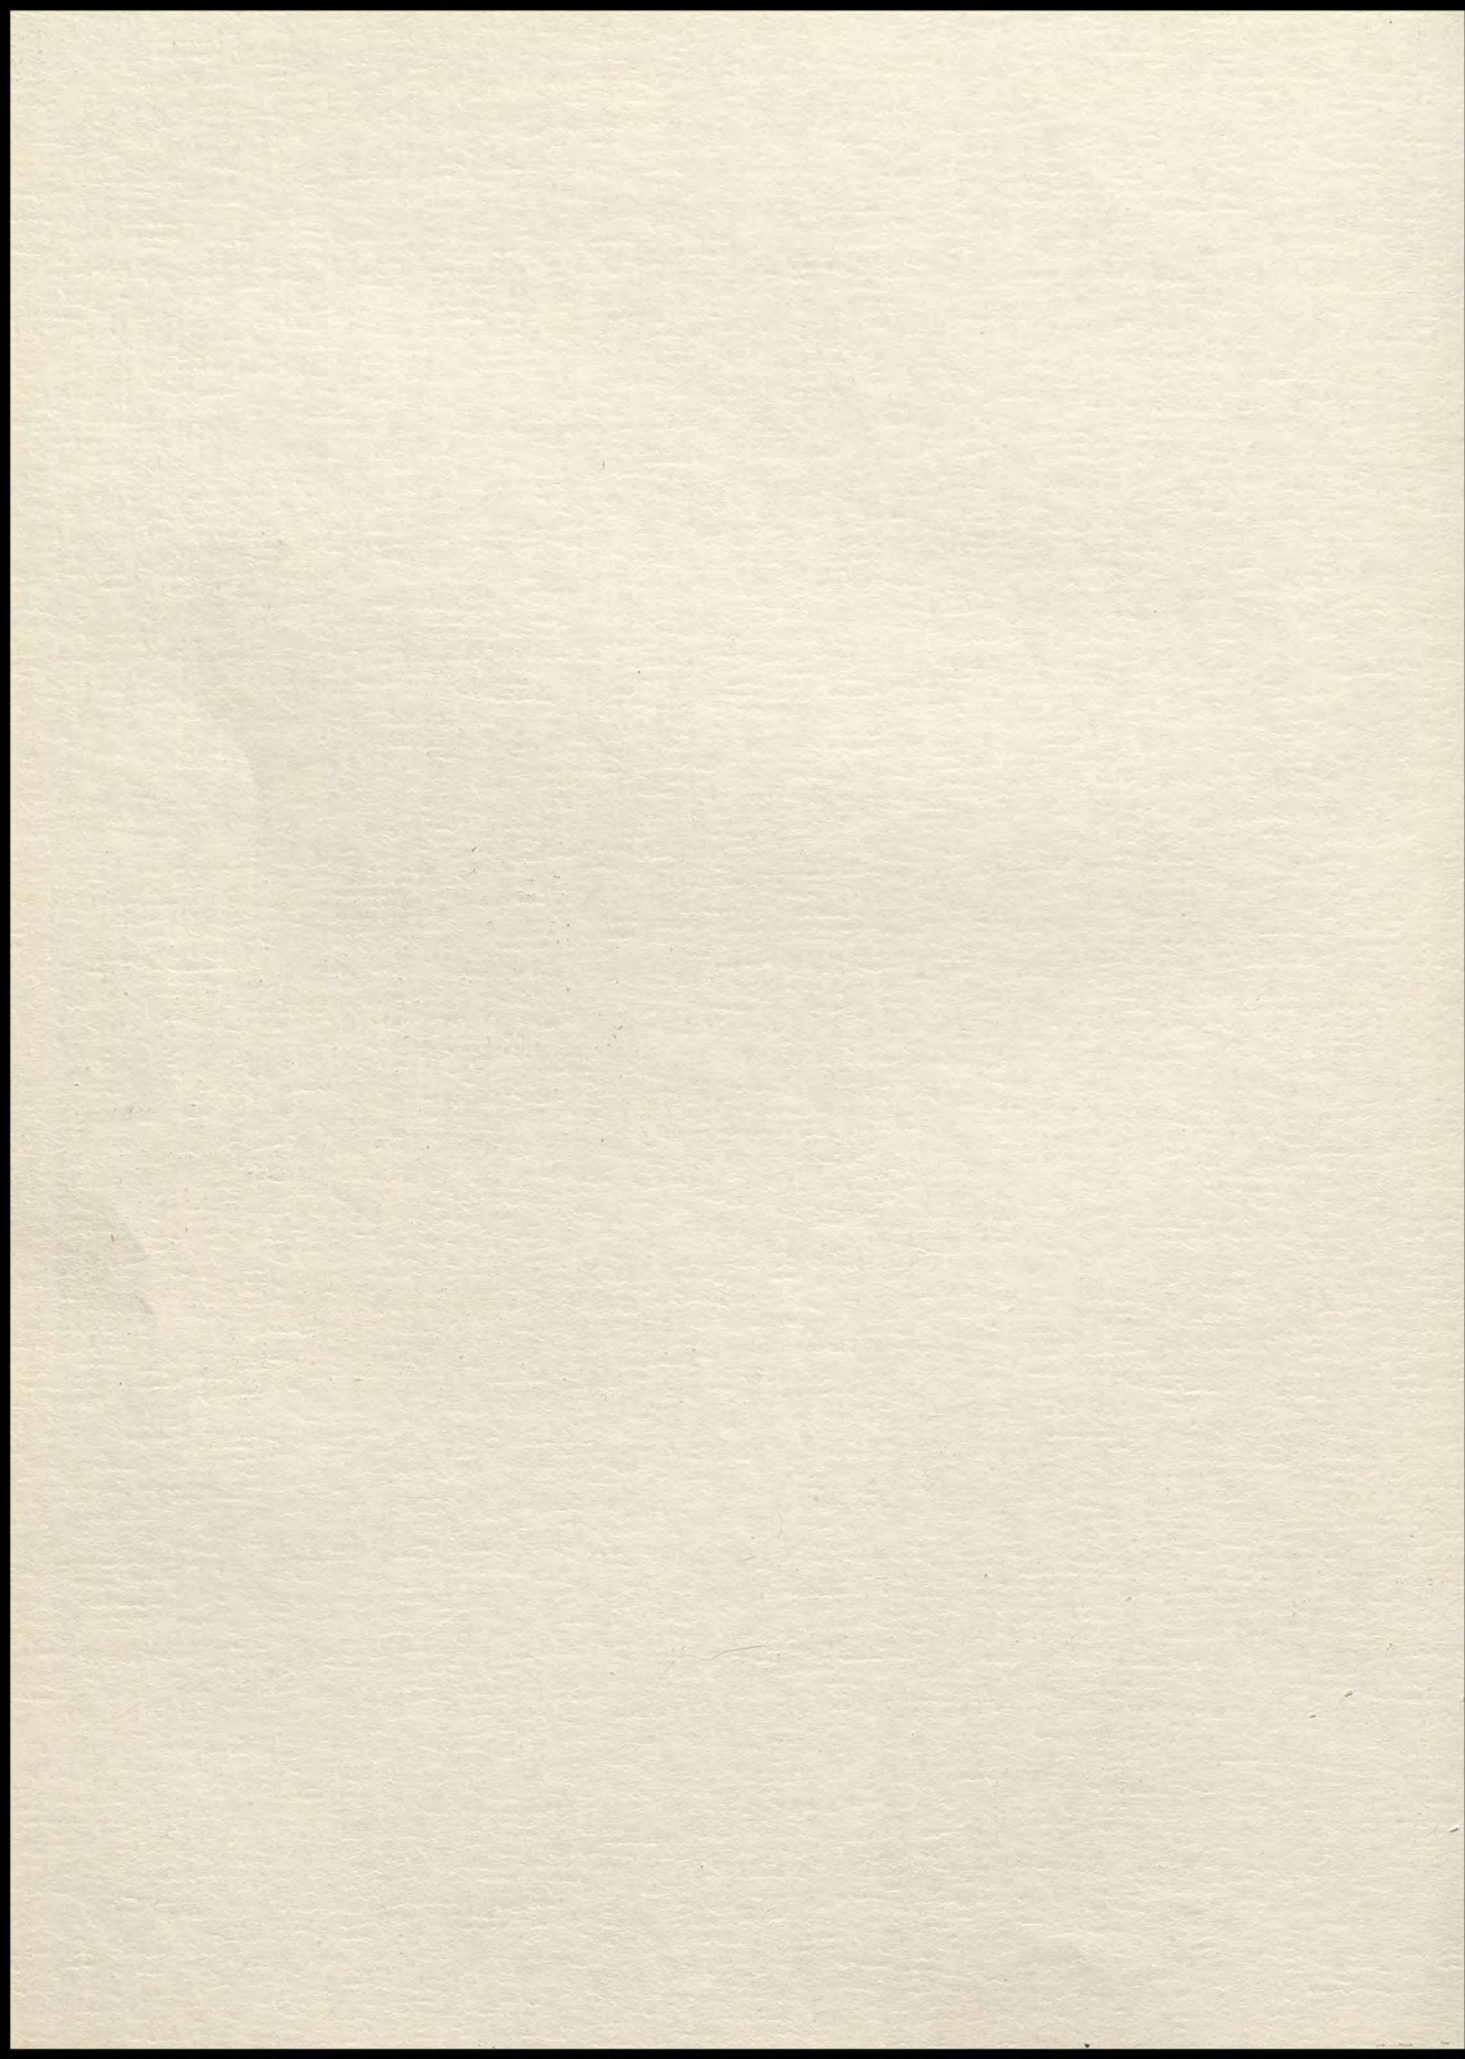

Another achievement was the establishment of a girls' point system, in which points toward earning a letter may be earned in gym sports and outside sports such as hiking, bicycling, swimming, and skiing.
